Interview Magic For Professionals is a unique 1 day training program designed to give you advanced interview skills to excel in any interview so you secure the job you really want.

Learn how to light up any interview room and master leading edge skills and strategies to help you stand out from the crowd. If you want to give yourself the edge over the competition and dramatically increase your chances to secure your dream job then **Interview Magic is for you.**

The world of work is under rapid change. Most professionals don't know how to pitch and communicate their real value and worth in the marketplace. Do you?

With high rates of attrition affecting many businesses, employers are more selective about who they hire and for how much. Indeed competition for almost all types of jobs has increased and for any given interview you could be competing against a large number of other excellent candidates. Interview Magic For Professionals is designed to give you tools and techniques so you can springboard into the job and salary you want. People are no longer in the same job for life, so learning the latest in advanced interview and communication skills is your ticket to having the career and job success that you want throughout your professional life.

Interview Magic for professionals is the most comprehensive and skills driven interview program on the market. Over an exciting eight hours we take you through the recruitment process, how to work effectively with head hunters, recruiters and HR managers, how to use non verbal and verbal communication powerfully to impact the interviewers perception of you, how to prepare and excel in competency, technical, internal and external interviews, how to negotiate salary, handle difficult questions, the pros and cons of contract life and show you the research you must do for every interview. After this training you will have the tools, insights and skills to excel in any interview and radically increase your chances of getting the job and career opportunities you want.

Past clients of our interview training programs have gone on to secure roles with a number of leading employers including Accenture, Barclays Wealth, Credit Suisse, Goldman Sacs, Fidelity Investments, Merrill Lynch, KPMG and many others. The skills we teach work across industries and will help you secure the job you really want.
